

King's Ginger Vodka

King's Ginger Vodka is spicy, sweet, and refreshing, much like the fresh ginger root that served as its inspiration. Beyond the ginger flavor, you'll find sweet notes of honey, grapefruit, and stone fruit, floral notes of lavender and apple blossom, and spicy hints of cinnamon. King's Ginger Vodka is made with our 6x distilled from corn vodka, infused with our natural ginger flavor, and sweetened a touch with cane sugar. We love it in a Moscow mule or at brunch in a spicy Bloody Mary.
