

King's Bourbon

King's Bourbon is a true single barrel and high corn mash bill with a flavor profile that is big and bold. It features bourbon's signature smoky tobacco and vanilla notes, but with hints of sweet raisin, fig, and date. We enjoy King's Bourbon neat or with a cube, but it is absolutely perfect in a bourbon based cocktail such as a Manhattan or the classic Mint Julep.

87 Proof

99% Corn, 1% Malted Barley Mash Bill
