

King's Tropical Lady Rum

This premium spirit is crafted with utmost precision, infusing the essence of toasted coconut into every sip. With its robust and captivating flavor profile, Tropical Lady entices the palate with a harmonious blend of rich, creamy coconut notes, creating a tropical paradise in a glass. At a lower proof of 41 (20.5% alcohol by volume), Tropical Lady can be enjoyed by itself, but it pairs very well with muddled crushed pineapple for a fun twist on a Pina Colada
